MORE ABOUT TEN...

Transform Europe Network (TEN) is the name and the vision, and we have an unashamedly positive attitude to Europe!

We believe God loves the continent, and that UK Christians have a responsibility to demonstrate this. So for 50 years we have helped Christians across Europe as they follow their God-given visions to plant churches, show compassion, and get involved in global issues such as anti-trafficking operations—all in their local communities. We also introduced Billy Graham and The Alpha Course to Eastern Europe!

Today we operate in 15 countries across 80 projects, and our TEN TEAMS bring an essential cutting edge to the comprehensive mission God has called us to.

TEN TEAMS

THE EXCITING SHORT-TERM MISSION TEAMS THAT ARE CHANGING THE FACE OF EUROPE TODAY!

WHAT DO TEN TEAMS DO?

Typically a TEN TEAM will have a programme that includes the work they set out to do (filling a specific need in the community they are visiting) as well as free time to enjoy a new culture. As TEN engages in a wide spectrum of activities, the work can involve Compassion, Evangelism, Church Planting and Education.

Whether running a children's club in a shanty town or a building project in a remote village, TEN TEAMS leave a lasting impression on all involved. TEN TEAMS are always a bespoke arrangement, matched to fit both their abilities as well as the needs of those at the destination country, and this helps ensure that they are a success for everyone involved.

CAN I JOIN A GROUP BY MYSELF OR SHOULD I PLAN TO GO WITH MY CHURCH OR ORGANISATION?

Although we can sometimes place individuals, the majority of TEN TEAMS are formed from a church or organisation. This helps them work well together, achieve their aims, and process things together afterwards. It also gets the wider group back home excited about mission as the returning team share their experiences.

HOW LONG DO THEY RUN FOR AND WHERE DO THEY GO?

TEN TEAMS typically run for 5–10 days including travel, and in the warmer months of the year—usually between March and October.

Because TEN works exclusively in Europe the costs are very low and there is a huge amount of choice. Currently we operate in 15 different countries, and it's likely you'd head to a country you might otherwise never visit.

HOW MUCH WORK IS INVOLVED IN ORGANISING A TEAM?

Not as much as you might think! We have a lot of experience in helping you plan, and typically we recommend you start doing so at least nine months before going. We also provide team training before you go and a debrief on your return, helping you maximise the experience for everyone. The key thing is to find a leader who doesn't mind a bit of organising, and who everyone will listen to!

OK, I LIKE THE SOUND OF THIS, BUT IT'S GOING TO COST THOUSANDS OF POUNDS ISN'T IT?

No! Changing the world doesn't have to cost the earth. The average week long experience is about £600 per person including flight, accommodation and food. That's because we don't make any profit from TEN TEAMS. We run the teams to serve the people we care for.
